Tahsildars and Deputy Tahsildars - (Malabar) - Inclusion of names in the approved lists for1950 - Orders passed.

xx xx xx

IX. The Collector of Malabar has recommended the names of two overaged candidates, viz., Sri M. Kunhikrishnan Nair and Janab M.P. Pavotty for inclusion in the approved list of Deputy Tahsildars. The Board has examined the claims of these two persons on a competitive basis. It is of the opinion that they deserve inclusion in the list. It accordingly requests that the Government may be pleased to relax the provisions in Rule 7(a) (i) of the Madras Revenue Subordinate Service Rules in their favour so as to enable it to include their name in the list. Relevant extracts from the Collector's report [illegible]'s file are enclosed.

15. Remarks:- Mr. Sankaravadivelu found that though his record was on the whole satisfactory there was nothing outstanding to justify conclusion at his age. He is now 43 and is not too old. I find that his record is the best among the men appointed under Rule 3-A who have completed two years' temporary service in the Deputy Tahsildars' grade. In a sense it ma y be held that there is no need to include any names at all this year since the district list already contains 61 names as against 44, the standard prescribed by the Board. But if the door is not to be shut completely a ainst all persons on that account I think his claims merit consideration. He has been doing good work as Receiption Deputy Tahsildar at Palghat and has been assisting the Taluk Supply Officer in procurement work efficiently. He is physically quite fit for outdoor work. The Additional P.A. (Accounts) who inspected his office found it to be in a very satisfactory condition. He notes that though the clerks were inexperienced almost entire correspondence had been carried on by the Receiption Deputy Tahsildar personally.

Moreover though his increment was stopped once long ago in 1935 he has generally been well reported on for very many years. His work as Textile control Officer was found efficient. Mr. Venkateswaran as Additional District Magistrate first thought him just competent but later on revised his view and classed his work as more than competent. I think that in view of all these circumstances namely his good, though not brilliant, record, his comparatively young age and the fact that he is the best among the temporary Deputy Tahsildars with more than two years service he merits inclusion. Recommended.
